

## A trusted resource for behavioral health education

Unison Behavioral Health Group has over 30 years of experience caring for the behavioral health needs of adults and children in our community. Our professional staff includes psychiatrists, nurses, psychologists, social workers, counselors and community support providers and care for nearly 5,000 children and adults each year.

In addition to our commitment to the behavioral health care needs of individuals and families, we feel another important part of our mission is behavioral health education for professionals in our community. Developed by our licensed and experienced staff — Unison's specialized trainings are recognized by hundreds of professionals as their trusted resource for behavioral health education.

## Continuing education close to home

Unison Behavioral Health Group, Inc. provides State of Ohio continuing education units for counselors and social workers. These continuing education units may also meet the credit requirements for CEU's for nurses and psychologists.

## Trainings currently scheduled for 2008 include:

*ADHD & Disruptive Behavior Disorders in Children, Overview of Mental Health, Anxiety Disorders, Batterers & Sexual Offenders, Bipolar Disorders, Chemical Dependency, Confidentiality/HIPAA, Court Testimony, Criminal Behaviors, Ethical & Legal Considerations in Mental Health, Family Therapy, Grief, Group Skills, Hearing Voices, Identifying Personal Strengths, Medication Education, Mood Disorders, Ongoing Assessment, Personality Disorders, Pervasive Disorders with a Focus on Autism, Psychosocial Stages of Development, Psychotic Disorders in Children, Setting Effective Limits, Suicide/Homicide Assessment, and Victims of Domestic Violence & Sexual Abuse.*

In addition to our monthly workshops, Unison Behavioral Health Group also offers **Non-Violent Crisis Intervention Training** through the **Crisis Prevention Institute** on an on-going basis. Unison's certified staff will work with your group or organization and introduce them to crisis prevention that emphasizes early intervention and nonphysical methods for preventing or managing disruptive behavior. CPI's *Personal Safety Techniques* are included in this training.
